Taylormade Hair Studio is a place where you can come relax and enjoy the experience of your hair service and feel great when you leave. I have been professionally doing hair for 8 years. After 4 years of starting my career at JC Penny Salon, I decided it was time to step out on faith and open my own salon. Taylormade Hair Salon specializes in coloring services and natural hair services. I strive to stay updated with the latest color techniques and educate myself and my clients on the hottest trends! My clients will tell you that I am laid back and easy to talk to.

I strive to give great customer service and pride myself on making sure your appointment time is your time and we end on time.
