Welcome to the profile of Jayna Evans Studio Salon! Jayna has been a licensed cosmetologist since 1997. She is a native Houstonian who opened her own salon inside Salon Meyerland in 2014. Jayna uses an array of professional products as not one product is suitable for all hair types. Some of those products are Pravana, Paul Mitchell, Affirm, Mizani and Design Essentials to name a few but not limited to. If you have a special product request, please let Jayna know and she will try her best to accommodate you. Whether you are natural or relaxed, Jayna has been known to provide her clients with a cut and style that is versatile enough to achieve more than one look no matter the length. Very short, short, or long styles she has you covered. In addition to having a versatile look, Jayna focuses on making sure your hair is manageable by her clients between appointments. If you are looking for color or highlights, you are in good hands as she has extensive color experience. Color can give you a look you never knew you could have. Jayna has a funny personality and is always a delight to be around with her positive attitude.

In addition to all that I was already doing I'm doing these even more! I am sanitizing surfaces between each client. I have an air cleaner to try to protectus from any unseen particles (machine), I'm keeping my door closed as often as possible, and I am constantly reinforcing that masks are worn properly in the Suite and in hallways!

Walk-ins Welcome but appointments peferred. Jayna's hours are flexible but please call/text first.
