Welcome to The Glam Suite!

Tamera Sanders attended HCC Cosmetology in Houston, Texas. While in school, she began assisting for the DaVinci of color Jon Henderson of Houston. Jon trained Tamera in the art of coloring hair while maintaining the health of the hair. Jon was a great mentor. Once cosmetology was completed in 1994, Tamera has been on a passionate journey to make women look and feel glamorous. This adventure blossomed into the ownership of The Glam Suite.

You will receive an artistry of color, precision cuts or flowing extensions, while maintaining healthy hair. Whether you want an updo or a silky straight flat iron. You are in the right place!

Consultations are complimentary. You must schedule an appointment with online booking from link above. Credit cards are accepted.

Thank you for your patronage!
