Welcome to the Penn Curls Experience! As an artist, I love to make people feel good. I take joy in helping my clients fall in love with their hair again. Always sharing and giving tips on how to maintain healthy hair. Everything about hair intrigues me! Although, I spent my early professional years as an accountant for major corporations, my love for hair never died. Hair has been a passion of mine for over 12 years now. I walked away from corporate life to embark on a journey of hair expression and health. I specialize in growth, maintenance, and vintage styles.

I value your call, but I prefer quote request to be via text so I can pamper the client I am already servicing. Please send me a selfie of yourself in addition to your desired look and I will reach back to you with pricing and availability as soon as possible.

Cash, Zelle, ApplePay and Paypal accepted. ATM On-Site.
