Hello future client! My name is Taurus, and I have been a licensed barber since 1995. With a consistent 30 years of experience in cutting hair, I am proficient in working with all textures and styles. I am also skilled in design cuts. I offer color enhancements currently, and hair units will soon be available as well. My tools of trade include straight razors, shears, and clippers, and my clients can vouch for my expertise in using them.

I have been an independent barber, leasing at Salon Meyerland since 2020, and I have owned several shops prior to joining here. A Houston Native, I was born and raised in the south and Southwest sides of the city. Beyond my barbering skills, I have a background in comedy and acting. Those who know me describe me as "down to earth," "old school," and "a cool guy."

In my private barber suite, I foster a family-friendly environment, where well-behaved children, women, and men are all welcome. There is no hairstyle that can't be achieved at "Taurus the Barber Bull" barber shop!
