Welcome to Essential Hair by Gail where I bring out the inner beauty in you. I have been working in the med center and Meyerland area for 19 years.

My mission is to make your hair healthy and beautiful by using only the best products such as Nairobi, Design Essentials, Lucas, and a number of other great products.

I love my job and it shows in my work. I specialize in all of the latest trends of weave, quick weaves, relaxers, colors, highlights, low lights, short trendy cuts, regular cuts, updos, designer beads and more.

I always try to create a great environment and a smile on my face. Call me or come in for a free consultation with no obligation. When you look good it makes me feel good!
