Tan's Natural Hair Care Salon provides natural hair care services ranging from Sisterlocks to natural hair care styling, products, and accessories. Tan's Natural Hair Care Salon believes that ALL hair is beautiful and unique regardless of the curl pattern!

Tan (Tanya D. Taylor) grew up on the southwest side of Houston, and is very familiar with Salon Park Meyerland. Tan is a natural hair care stylist and her specialty is locking and natural hair care styling and maintenance. Tan is a registered practitioner of Sisterlocking techniques and has been trained and worked under one of the first official natural haircare stylist in the Houston area.

Tan is a Certified Sisterlocks Consultant. We offer the complete Sisterlocks package, which includes the consultation, installation, maintenance and styling option. We offer traditional lock and interlock services as well. We also distribute and manufacture natural based products for the hair and body. We also cater to "naturalistas" who have tender scalp (tender heads).

We believe in helping to bring out the inner beauty in you...naturally!
