Hello my name is Kim Jones and I believe that if a person looks good, they feel good and when you feel good you have a certain pep in your step. I have been in the business of helping people look good for over 20 years. I take pride in my work and being attentive to my clients. I specialize in cutting, relaxers, silk press, natural hair care, locs and extensions (sew, clip ins and quick weaves). I believe in healthy total hair care and believe in always leveling up on my skills. I look forward to meeting you.
