Thank you for interest in JaLisa Did It Natural Salon! I have been doing hair since grade school and my passion for hair led me to become a licensed stylist in 2014 at Ogle School of Cosmetology. I am a local Houstonian so I know our weather and what works best for my natural clients! Avlon, Inffluance, Paul Mitchell and Moroccan Oil products are my preferred brands but I have an arsenal of products to choose from for your hair's particular needs. I have been known to be gentle or light handed with my technique to make your detangling, braiding and other various styles comfortable during and after services. Although my braids are my most popular service, I am also known to be very proficient at doing trendy styles such as silk presses, natural hair styles, wash and go, sew-ins, three layer barrier quick weaves, ponytails and so much more. I have the skills to re-create styles from your ideas or a photo you may have so please feel free to text me a photo! Please take a look at the complete list of my services below. When you are in my salon suite, your time is your time as I do not overlap appointments. Clients will tell you that they can relax when in my chair by listening to great music or maybe watch a great movie. I am honored to be considered for your hair desires! I vow to provide you service with integrity and passion.

Due to high demand there is limited availability for my appointments, PLEASE double check your calendar before scheduling an appointment. Thanks!
