Welcome to Stylized Hair Studio, where your hair's health and beauty mean everything to me. With over 16 years of experience as a licensed professional and certified extensionist, I am dedicated to providing exceptional care and education specifically for natural and textured hair.

I offer a range of exquisite treatments, from silk press to microlink extensions, all aimed at enhancing and celebrating your unique beauty. Educating my clients on effective hair care practices is my passion, ensuring you not only leave looking fabulous but also equipped to maintain healthy hair at home. I strongly believe in using top-quality, professional products that promote hair growth and scalp health, resulting in stunning transformations that let your individual style shine.

Thank you for your ongoing support, and I can't wait to welcome you to Stylized Hair Studio very soon! Denete
