I am Jeana James, owner of Nanyamka Beauty Inc., which means “God’s Gift”. I chose the name because of its meaning and its way of expressing my gratitude for His gift for my life and the ability to do what I enjoy most.

I have been in the beauty business for over 20 years, and I can’t imagine myself doing anything else except educating others about this great industry which is my way of giving back and ensuring the quality of service. Education is the key to success and continued education ensures the future of that success.

I specialize in hair care (all hair types). That includes weaving, dreadlocks and more. My dedication will show in the service of choice that is decided in a brief or detailed consultation, which I hope to be memorable.

I look forward to your visit and I am confident you will be pleased with your service.
