I have been a hair stylist since 1980 and I specialize in complete hair care and healthy hair. Relaxers, roller sets, hair cutting, color treatments, foil and cap highlights, semi and demi color, color rinses, hair pressing, arch-razor eyebrows, (natural-texturizing), weaving – sewing and bonding.

Furthering my education on the newest trends and techniques by attending hair classes, hair shows and continued education classes is top priority.

I recommend a “no obligation” hair consultation over the phone so that you feel more comfortable with my services when we meet in person.
