Details Hair Studio

I am the owner of Details Hair Studio, located inside Salon Meyerland. Details Hair Studio offers a fun but comfortable professional atmosphere.

I have been a hair stylist in the Houston area for over 20 years. As a stylist, I prefer to use professional hair care products such as but not limited to Mizani, Design Essentials, Nairobi, and Affirm to achieve the best results in hair care needs. I specialize in promoting healthy relaxed hair in addition to many other services such as hair weaving and bonding, hair coloring, hair cutting, roller wraps, and blow dry styling. I am also trained in the latest hair thermal smoothing systems.

Regular and standing appointments are scheduled with consideration of your time. Call me about private appointments that guarantee no wait.

ATM on site.
